Dear Village Resident,

In September the Village of Goshen will be preparing for and re-paving the following streets within the Village:

VILLAGE CLERK

Margaret G. Strobl

POLICE CHIEF

James C. Watt

- Montgomery between Erie and Scotchtown.

BLDG. INSP.

Theodore L. Lewis III

- Montgomery Extension

D.P.W. SUPT.

R. Scott Birney

- Middle Street

ATTORNEY

David A. Donovan, Esq.

- West Main Street from the Intersection to High Street including the area of the Post office and bus loop

JUSTICE

Rory K. Brady, Esq.

- Coleman Road

The roads will be open for emergency traffic, but will be detoured where possible. Vehicle parking on these Streets will be reduced or suspended entirely during these operations.

The resurfacing of the affected roads will take place in two steps with a lag of approximately a week between each step. The first step will prepare the road surface or road base, the second step will include the laying of new asphalt paving.

We apologize for any inconvenience during this time. Our goal is to make the process as smooth logistically as possible. If you have any questions please call the Department of Public Works at (845) 294 – 6288.

Yours truly,

Scott Birney

Superintendent, Village of Goshen Department of Public Works
