

Due to the weather forecast for Hurricane Sandy, Village Hall is closed today.

The Village of Goshen has issued a State of Emergency beginning 10/29 at 9:00 a.m. and continuing until 11/1 at 5:00 p.m. All non-essential travel should be avoided.

There is the potential for heavy winds that could result in sustained power outages. Additional heavy rain is expected. Please make proper preparations.

For questions, dial 2-1-1 or if you have an emergency dial 9-1-1. The Village Police can be contacted at 294-7988.

The Village recommends postponing all Halloween related activities. All trick or treating and other events can be rescheduled after the impacts of the Hurricane are identified with a timetable.
