

Village Board Work Session
February 7, 2011
7:00 p.m.

Members present: Mayor Higgins, Trustees Char, Mattheus, and Roddey. Absent: Trustee Stewart.

Also present: Accountant Vernieri, Treasurer Perez, and Village Clerk Strobl.

Mayor Higgins turned the meeting over to Treasurer Perez who gave an update on the sewer fund. Following discussion among Board Members it was noted that current assessments are not enough to pay debt service.

Mr. Vernieri urged serious thought be given to the sewer assessment, as every assessment dollar should go towards paying debt service. Mayor Higgins said that a Public Hearing regarding the assessment will be set at the next regular meeting.

Mr. Vernieri reviewed options for funding the stockpile removal.

Mayor Higgins turned the meeting over to Dean Cola, a resident of Harness Estates, who shared his concerns regarding construction traffic in the development.

The Work Session concluded at 8:15 p.m.
