Steve Esposito addressed the Board regarding Olde Yorke Subdivision, (112-5-1.2 and 3). The Planning Board has granted preliminary approval to the applicant, with a condition of discussing the ultimate disposition of sidewalks for the project with the Village Board.

Following discussion, members agreed that they are in favor of the concept of providing sidewalks in another area of the Village. Mayor Roddey will confer with the Planning Board Chair.

The Board discussed proposed Local Law number 2, which would designate the south side of Murray Avenue from the intersection of Scotchtown Avenue to the entrance to the Harness Estates Subdivision as "no parking at any time". The Public Hearing on the Law was held August 22, 2011.

Discussion on the proposal will be continued at the next Work Session.

The Board reviewed a letter from Assemblywoman Annie Rabbitt in which she requested consideration of a 15-minute parking spot in front of Village Pizza, 100 Greenwich Avenue, on behalf of the owner.

A Public Hearing on the matter will be scheduled at the next regular meeting for October 24, 2011.

It was decided that the discussions about zoning issues would be restarted. Mayor Roddey will invite Planner Stu Turner to the next Work Session.

The Work Session concluded at 7:42 p.m.
