

**THERE IS A NEW STICKER ON YOUR
GARBAGE or RECYCLING CAN**

- Please place the hinge side of your garbage can facing your building as indicated by the new sticker.
- Please make sure that there is a minimum of 4 feet of clearance between cans and any obstacles including other cans, mailboxes, cars, light poles, fire hydrants, transformers, etc.
- All waste should be placed in Village provided cans with the lid tightly closed. There should be no bags or loose garbage outside of cans. Large items can be either broken down and placed in cans or be collected during Spring Cleanup.
